Saito Koji
Biography

Saito Koji was born in Fukushima, Japan in 1978.

Multi-instrumentist, Saito plays guitars, keyboards, piano, ornamented of some effects and field recordings. His sound experience through labels like Magic Book Records or Kesh Recordings, allowed him to develop a very personal and delicate sound of endless and repetitive loop improvisations.

Fascinated by the work of Otomo Yoshihide and Derek Bailey, his music is also influenced by the sublime visualsof Kaoru Abe.
